🔗 2007shreeniva

Education

- **A.I.T. College** Chikkamagaluru, Karnataka
B.E. in Computer Science and Data Science Engineering — CGPA: 6.0 2025 – 2029

Projects

- **Drip Irrigation System Using Solar Power**
- Designed a **solar-powered drip irrigation system** aimed at automating water delivery and improving irrigation efficiency.
- Applied principles of **sustainable energy** and automated irrigation to reduce dependence on conventional power sources.

Skills

- **Programming:** Java, Python, C
- **Core:** Data Structures, Problem Solving, Object-Oriented Programming

experiences

- Fresher; currently pursuing B.E. in Computer Science and Data Science Engineering.

Achievements

- Developed a **solar-powered drip irrigation system** as an academic project focused on sustainable and efficient irrigation.
